

HOW TO ORDER...

All you need to do is pick out the food that sounds good to you and let us know how many people you need to feed in total, and we'll take care of everything else.

Please keep in mind, this menu is just a showcase of our most popular catering option, the \$9 per person all-inclusive package. We can do almost anything! For example, if you just want pastas and nothing else, we can work with you on that. Also, we're not limited to our regular menu items. Special requests are always welcome!

If you're already familiar with our menu and ordering process, feel free to leave your complete order on our voicemail or send us an email. If you have questions, please leave us your contact info and someone will call you within 24 hours to discuss your order.

Our minimum order size (for the \$9 package) is 10 people.

We guarantee delivery for all orders placed with a minimum of 24 hours notice, however we can often accommodate last minute orders. Thanks for considering us! We look forward to serving you and we're confident we'll exceed your expectations!
